Warranty

To the original owner, the Bryant® Perfect Air™ purifier is covered by a 10-year parts limited warranty.* Ask your trusted Bryant® dealer about optional extended warranties, which may include labor.

*Warranty period is 5-years if not registered within 90 days. Jurisdictions where warrant restrictions are not allowed will automatically receive a 10-year parts limited warranty. See warranty certificate at bryant.com for complete details.

The Evolution of Comfort

Bryant is at the forefront of a comfort revolution with its exclusive Evolution® System. Starting with the sleek, sophisticated Evolution® control, this system puts more power and ease-of-use at your fingertips than any other comfort control.

A Bryant Evolution® System delivers superior comfort while also offering enhanced air cleaning capabilities. Nearly continuous flow of air through your system's filters and an economical multi-speed continuous fan function both contribute to this system's ability to clear the air. True Sense™ dirty filter detection adds to your indoor air quality and system efficiency by letting you know exactly when it's time to clean or replace your filter for optimum performance. And, with our Perfect Humidity™ function, you'll enjoy precision humidity control during the cooling season and control of your humidifier from one convenient location during heating. Simple, intuitive and powerful, the Evolution System truly sets a new standard for excellence in home comfort.

The optional Evolution® control is much more than just a thermostat. It is your single source of precision temperature, humidity and indoor air quality.
